## Guaranteed Authenticity.

Every item. Every time. Shop on StockX with complete confidence knowing every purchase is 100% Verified Authentic.

## Trust The Process

Our global team of expert authenticators uses a rigorous, multi-step verification procedure that includes the following checkpoints:

### Condition

We only allow deadstock on our marketplace. That means every item bought or sold must be brand new and never worn.

### Construction

With checklists of 100+ data points, our authenticators are better equipped than anyone to ensure a product's authenticity.

### Packaging

Equally important as the product itself, our team ensures packaging meets the highest quality standards to deliver a brand new product.
